Hey, Veterans! Did you know you can be awarded college credit for your military experience?

A new program, Veterans Educational Transitions (VET) helps assess your military experience for conversion into college credits that can be applied toward a specific degree or certificate program. Check it out.

Getting Past the “Is this major for me” Quandary

Still deciding on a major? Dreaming of what you think is the perfect job upon graduation but cannot find an avenue to gain experience? One way to answer those questions and learn about your fields of interest is to volunteer.

Feature Scholarship of the Month

UNCF Scholarships available now

UNCF's mission is to build a robust and nationally-recognized pipeline of under-represented students. UNCF manages various scholarship programs and each program has its own eligibility criteria, open/close dates and required documentation. To apply for a UNCF scholarship, you must apply through the on-line application process. A list of scholarship possibilities is available online.
